

DATA INFORMATION

The **Durham Area Transit Authority** provides a fixed-route bus service and a demand responsive van service (ACCESS). For information about the **DATA** bus service or for help in planning your next trip, you may (1) call (919) 683-**DATA** any time between the hours of 6:00 a.m. and 12:00 midnight Monday through Saturday and any time between the hours of 7:00 a.m. and 7:00 p.m. on Sundays and holidays, (2) view individual and system maps at www.DurhamNC.gov, or (3) visit www.GoTriangle.org for trip planning throughout the triangle area. The telephone number for those who are deaf is 711. For information about the **DATA ACCESS** van service, please call the DATA business office at 957-7336. For scheduling your next **DATA ACCESS** van service trip, please call 688-1525.

DATA provides service every day of the year except Christmas Day. Monday through Saturday, service is provided from 5:30 a.m. until 12:30 a.m. the next morning. On Sundays and holidays, service is provided from 6:30 a.m. until 7:30 p.m. Holidays are: New Years Day, Martin Luther King, Jr. Day, Memorial Day, July 4th, Labor Day, and Thanksgiving Day. Please see the timetable for each route for complete schedule details.

For regular and discount fare riders who ride more than one bus in a day, the **DATA** unlimited ride pass is your best value. One-day **DATA** and one-day regional passes are sold on the bus and at the **DATA** Operations Center. Seven-day **DATA**, 30-day **DATA** and 30-day regional passes are available at the Downtown Transfer Facility or at the DATA Operations Center. Regional passes allow riders to use **DATA**, TTA and CAT. Photo identification cards for reduced fares may be obtained by appointment only at the **DATA** Operations Center.

When bad weather conditions affect the roads, all of the routes and schedules are subject to change. There are several ways to find out what these changes might be. You may call 683-**DATA**, call the City of Durham's Info Line at 560-4636 code #7132, or you may simply listen to your local radio or television station.

The **DATA** Downtown Transfer Facility, located at 521 Morgan Street, is open Monday through Saturday from 6:00 a.m. until 12:00 midnight, and on Sundays and holidays from 7:00 a.m. until 7:00 p.m. The Operations Center, located at 224 N. Hoover Road, is open Monday through Friday from 8:00 a.m. until 5:00 p.m., except holidays.

How to Use the DATA Fixed Route Bus Service

All of the **DATA** bus routes are on the system map that is shown on the reverse side. There are 19 different bus routes, and each one is shown in a color. Whenever two different routes have the same color, it means that the routes are connected at the Downtown Transfer Facility, and that the bus arriving downtown on one route will leave downtown on the other route. Most of the **DATA** routes meet at the Downtown Transfer Facility although these connections are not guaranteed due to traffic, construction and other possible delays.

Review the system map and determine which route(s) you will need for your trip. Next, locate the clock times (:10/:40) along the route you will board first and pick the clock time that is closest to where you will board and pointing in the direction you wish to travel. All of the times that the bus will pass by this location are shown on the schedule for the route under the same clock time column. If you board at a location that is before or after the clock time chosen, simply subtract or add a few minutes time. **If you board along any one of the dashed route extensions, please refer to the notations on the map for the departure time and day serving that extension.**

Signs along all of the **DATA** bus routes mark bus stops. Arrive at the bus stop a few minutes ahead of schedule. Have your fare, pass and identification card (if required) ready. Feel free to ask the driver for any other assistance that you might need, especially if you are unfamiliar with the **DATA** bus service or the trip you have selected.

Smoking, carrying weapons and carrying or consuming food and beverages (including fast food containers) are prohibited on the buses for the safety, comfort and convenience of all. And please refrain from any language that others might find offensive. When the bus approaches your destination, simply pull the stop bell cord that is located above the windows. Wait until the bus comes to a complete stop, and please exit through the rear door unless you need the assistance of the front door kneeling feature or wheelchair lift.

All of the **DATA** buses are wheelchair accessible and can hold up to two wheelchairs. Persons with a disability that prevents them from using the fixed route bus service may qualify for the **DATA ACCESS** van service.

Bicycles are permitted on all **DATA** buses. A special rack on the front of the bus enables two bikes to be carried safely in an upright position. Cyclists can load their bike easily and quickly, and there is no special license or additional fare required. Strollers must be folded and placed in the seating area (out of aisles), or must be held in the wheelchair securement areas (if available).
